

**Spreading connector, Häfele Ixconnect SC 8/60**

One-piece connector, For wood thickness: From 15 mm (5/8")

Item no. 262.11.117

\$ 1.14 Per Piece (Piece) Suggested Retail Price**Item details**

One-piece connector

Quick and easy installation

For concealed applications, only a 6 mm drill hole for fixing the connector is visible after installation

Removable connection

Material

Plastic, Zinc alloy

Color/finish

Red, Gray

For wood thickness

From 5/8"

Area of application

For concealed cabinet connections with MDF and chipboard

For wood thickness

15 mm

Installation

For plug fitting into drill hole Ø 8 mm without tools
the connector expands with a 180° turn of the tightening
screw with SW3 hexagon socket.

Functioning principle

Both connector components expand synchronously in the
drill hole when joining both panel components
the connector is fixed into end position with a gentle tap on
the panel components**Additional information**

Please order drilling jig for Häfele Ixconnect SC 8/60 (Cat. No. 001.25.085) separately.

Cover caps for drill hole 6 mm, shaft length 4 mm, can be used from wood thickness of 16 mm.
