Art. no. 372.91.413

Article details

- Extremely little space requirement
- No additional hinge connection required
- With integrated soft closing mechanism
- Flap locks in any position

Area of application	for stay flap front panels with or without handle (Push-to-Open), for bigger, one-piece flaps made from wood, glass or with aluminium frame
Material	Fitting: Steel
Colour/finish	Fitting: Nickel plated
Lid material	Wood, Glass, Aluminium frame
For cabinet height	400–650 mm
For lid weight	27.3 kg, note sample measurements table and flap height
Adjustment facility	Height/side/tilting angle of front panel ± 1.5 mm Holding power
Installation	Fitting for screw fixing with pre-mounted Euro screws, front panel fitted to pre-mounted screw-on brackets without tools (clip system)

Order reference

The choice of stay flap fitting and push catch for handle-free front panels depends on the cabinet height and the flap weight. For model selection see sample measurements tables. Please order adapter for flaps with 20 mm aluminium frame separately. Please order glass gluing adapter for all-glass front panels separately.

Supplied with

1 stay flap fitting set (1 piece each left/right, 2 front fixing brackets for wooden flaps or flaps with wide aluminium frame from frame width 45 mm, installation instructions and paper drilling template)
