

## Stay flap fitting, Maxi complete set

For wooden or glass flaps or flaps with aluminium frame, Edge distance: 37 mm, model: D, nickel plated

Art. no. 373.69.312

### Article details

**MAXImal talent:** By varying the mounting points with just one fitting, many applications such as front panels without handles or effortless opening of even large and heavy flaps up to 50 kg can be realised (depending on flap height and mounting situation)

**Multi-position stop function:** The fitting can be adjusted so that the flap stops in any position.

separate soft closing mechanism available as accessory

can also be used in combination with Häfele Metalla 510 Push self-opening concealed hinges or concealed hinges with integrated soft-closing mechanism (trial mounting required)

Version	Complete set
