| Model | DZ2431 |
| Type of pull out | Full extension |
| Removing the running track | without release lever |
| Material | Steel |
| Width | 360.0 mm |
| Installation | At drawer, side mounted (surface mounted installation not recommended) |

Installation drawings

The correct side space dimension is critical for the runner to work. You must allow between +0.2mm and +0.5mm over the runner thickness.
