

**Recess/surface mounted downlight, Häfele Loox LED 2020 12 V drill hole 55 mm zinc alloy**

Light colour: Cool white 4000 K, luminous flux: 150 lm, matt nickel plated, energy efficiency class: A, cool white 4000 K, matt nickel plated, energy efficiency class G

Art. no. 833.72.283

Clearance

**Article details**

- High-quality metal housing  
Splash proof for use in wet rooms

Refraction angle	100.0 °
Nominal voltage	12.0 V
Wattage	3.2 W
Degree of protection	IP44 (recess mounted light); IP20 (surface mounted downlight)
Colour rendering index Ra	83
Drill hole Ø	55.0 mm
Number of LEDs	6
Model	LED 2020
Installation	For mounting in drilled hole and for clamp fixing
Installation note	Degree of protection with surface mounted housing is IP 20
Version	Suitable for wet rooms
Dimmable	yes
Area of application	For display cabinets, shelving units and shelves
Housing material	Zinc alloy

Life time	30000 h
Energy efficiency class	G

## Supplied with

1 light with lead and fixing material

## Additional information attributes

The degree of protection IP44 is reduced to IP20 when surface mounting or recess mounting with through hole.

## Installation drawings
